DIVERSITY POLICIES AND EFFORTS QUESTIONNAIRE

IF ANY QUESTION HAS A “NON-APPLICABLE” ANSWER, PLEASE EXPLAIN WHY.

- (1) Please provide a brief description of the services and functions provided by your department.

Trial Services – The District Attorney’s (DA’s) Office had 181 attorneys [includes 20 legal research assistants] who prosecute criminal cases; file civil, environmental and consumer cases; and engage in community prosecution efforts to address quality of life issues in neighborhoods. In addition, there are special units to prosecute specific types of crimes including, but not limited to, Domestic Violence; Homicide; Gangs and Hate Crimes; Cyber Crimes; Insurance Fraud; Special Assault and Child Abuse; Career Criminal; Child Abduction; Prison Crimes; and Vehicle Theft.

Justice, Training & Integrity (JTI) Unit – The JTI Unit is dedicated to ensuring our pursuit of justice is carried out with the highest level of integrity. The JTI Unit provides deputies with ethical and practical training and advice, institutes discovery safeguards, disseminates legal updates, evaluates and responds to allegations of prosecutorial misconduct, consults on office policies and develops protocols, litigates petitions for writ of habeas corpus, examines claims of actual innocence and wrongful conviction, reviews cases for post-conviction relief and resentencing (e.g., immigration and veterans’ resentencing, etc.), and conducts parole hearings. JTI is comprised of 13 attorneys, a Legal Research Assistant, an Administrative Services Officer, a Legal Secretary, an Office Specialist, and two Office Assistants.

Investigations – The Bureau of Investigation for the DA’s Office had 41 investigators, 21 investigative assistants, and 14 process servers that provide trial support for the attorneys. Trial support includes, but is not limited to, follow-up investigation on cases submitted by local law enforcement agencies such as reviewing police reports; reviewing local law enforcement investigations; developing strategies for further investigation; writing search warrants; preparing arrest warrants for a magistrate’s signature; planning and service of the warrants; search, collection and preservation of seized evidence for case prosecution; arrest and transportation of wanted subjects to jail or for appearance in court; interstate extraditions; and testifying in court. Additionally, staff will locate victims and witnesses, serve subpoenas, interview witnesses, interrogate suspected criminals, as well as analyze and evaluate oral and written statements. Staff will also retrieve evidence booked by local law enforcement agencies that is required for a successful prosecution. Evidence may include law enforcement in-car camera videos, body camera footage, surveillance footage, mobile phone data, certified DMV/DOJ (Department of Justice) information, and crime scene photographs.

Laboratory of Forensic Services (aka Crime Lab) – The Sacramento County DA’s Crime Lab is one of the few in California that is managed by a DA’s Office. It had 39 Criminalists and two Forensic Lab Technicians. The Crime Lab has the highest quality service

available for the recognition, collection, preservation, scientific analysis, and interpretation of physical evidence, with a goal towards presentation of such evidence in criminal court cases. The lab has achieved the honor of being accredited by the American Society of Crime Lab Directors Laboratory Accreditation Board. The laboratory provides forensic services to all law enforcement agencies operating in Sacramento County. The laboratory is divided into four technical units including Alcohol and Drugs in Body Fluid (Toxicology), DNA and Serology (Biology), Drug Analysis (Chemistry) and finally Trace Evidence, Firearms and Tool Comparison, Arson (Criminalistics). The laboratory also assists law enforcement during field call-outs, providing support in the recognition, documentation, collection, preservation, examination and interpretation of physical evidence at crime scenes and clandestine laboratory scenes.

Victim Witness Assistance Program – With 17 advocates, the DA’s Office Victim Witness Assistant Program is dedicated to providing services to victims. Trained and experienced advocates provide crisis counseling, orientation to the criminal justice system, community referrals, assistance with applying for victim compensation, a support group for family members of homicide victims, and many other services. Assistance and information are available in several different languages. Special assistance is available to victims of elder abuse and dependent adult abuse.

Community & Government Relations (CGR) Bureau – CGR was created to build upon existing programs and create new ways to work with members of the community on crime prevention. The bureau brings all community related efforts under one umbrella, allowing the office to maximize its reach, increase accessibility and communication with citizens and have a greater positive impact across the county. CGR includes all community outreach programs, media and government relations. The bureau also includes the nationally recognized Community Prosecution Unit (CPU). There are prosecutors working in neighborhoods throughout the county and in the City of Sacramento, the City of Rancho Cordova and the City of Elk Grove. Community prosecutors create partnerships with citizens, law enforcement, community groups and businesses to proactively address quality of life issues including blight, prostitution, graffiti, and homelessness.

Administration & Support – Support is provided to the various units throughout the DA’s Office with staffing in various job classifications to include positions in executive management, administrative services, information technology and support staff. There were 118 employees in these job classifications in 2023.

- (2) Please describe your department’s selection and hiring procedures and how they help ensure a workforce representative of Sacramento County. (Include, if applicable, hiring interview procedures & policies; internships; education & training opportunities; training & develop assignments, etc.);

The Hiring Committee is primarily responsible for the professional hires in the DA’s Office including the hiring of lateral attorneys as well as paid post-bar law school students and paid summer interns who have completed their second year of law school. The Hiring Committee is currently comprised of seven people. This includes the Chief Deputy, two Assistant Chiefs, and two unit Supervisors. Of the current committee, three members are women, and four members are minorities.

The DA's Office continued to hire individuals for post-bar legal research assistant (LRA) positions which are advertised at many law schools through the United States. Post-bar refers to individuals who have taken the first bar exam offered after graduation and are awaiting bar results. The COVID pandemic impacted our operations. For instance, we were unable to visit law school campuses to conduct candidate interviews. Schools were offering virtual interviews which we participated in. We conducted our second round of interviews in person. In August 2023, 13 LRAs began work. Three of those candidates were minorities and seven were women. These LRA candidates applied and interviewed in Summer and Fall of 2022. Of those eleven LRA's, seven passed the bar exam on the first attempt.

In 2023, students in their last year of law school apply for post-bar LRA positions typically beginning shortly after taking the first bar exam immediately after law school graduation (usually in August). A total of 44 applications were received and 30 LRA candidates were interviewed. Of those interviewed, we made offers to 13 LRA candidates.

The DA's Office has a paid Summer Intern program. In May 2023, we employed 11 Summer Interns. Four of those interns were minorities. Six interns were female. These Summer Intern candidates applied and interviewed in Summer and Fall of 2022. In Summer and Fall of 2023, the DA's Office Hiring Committee reviewed applications and interviewed law school students for paid positions beginning in 2024. All resumes were distributed to the Hiring Committee panel for review. In 2023, the DA's Office received 61 Summer Intern applications; 23 candidates were interviewed, and 11 offers were made.

For all Crime Lab positions, notices are sent to all crime laboratories within the state and the list of positions are sent to the American Society of Crime Laboratory Directors. The criminalist positions were posted on the following websites: American Academy of Forensic Sciences (AAFS), California Association of Toxicologists (CAT), Association of Firearms and Tool Mark Examiners (AFTE), and the California Association of Criminalists (CAC). When the position was opened for County-wide recruitment, it was announced on www.governmentjobs.com. Additionally, the Crime Lab has several unpaid internship opportunities that are advertised with Sacramento State and the master's degree programs at the University of California, Davis.

- (3) Please describe what recruiting and/or informational events your department has participated in and how they help to ensure a workforce representative of Sacramento County. (Include, if applicable, high school or college job fairs, high school or college programs, church events, or community events.

The DA's Office hosts an Annual Diversity Open House and Reception in collaboration with the University of Pacific, McGeorge School of Law; University of California, Davis School of Law; and Lincoln Law School. This event affords law students an opportunity to talk with attorneys and other staff about career opportunities at the DA's Office. During this event, students also get to meet the District Attorney, learn about summer employment opportunities, and discuss the opportunity to shadow a Deputy District Attorney for the day. This year marked the DA's Office's 17th Annual Diversity Open House.

To expand recruitment, the DA's Office routinely engaged in on-campus interviews at numerous law schools throughout California. These involved members of the Hiring Committee traveling to campuses in an effort to recruit students with diverse backgrounds

and interests. After 2020, schools only offered virtual interviews. In 2023, the office conducted virtual interviews at the following California law schools: McGeorge, UC Davis, UCLA, Loyola, Pepperdine, Chapman, Hastings, USF, Santa Clara, and University of San Diego.

To expand recruitment efforts and community engagement, in 2023, the DA's Office created a new deputy district attorney position. The new position is in the Community and Media Relations Unit. This deputy district attorney serves as a liaison between our office and the community, with a primary objective of preventing crime through proactive engagement and education. Additionally, this role extends to recruitment efforts. This deputy district actively participates in recruitment events and career fairs across the county to attract diverse talent to the District Attorney's Office. This deputy also spearheads our recruitment team, which is comprised of over 50 attorneys from diverse backgrounds that graduated from 23 different law schools across the country. Members of the recruitment team attend job fairs and present on a variety of different topics.

Additionally, in August 2023, we attended the National Black Prosecutors Association's 40th Annual Conference and Job Fair in Chicago, Illinois. At the fair we spoke with approximately 15 potential applicants, all of whom were black.

In 2019, the DA's Office created the Community and Government Relations bureau (CGR) aimed at increasing community engagement, maximizing prevention and education outreach efforts and strengthening public trust in the criminal justice system. The bureau has continued to grow and now includes a formal community and media relations unit, consumer and environmental protection, legislation, and the juvenile division. In 2023, the Community and Media Relations unit added an additional attorney for community outreach and engagement.

Since 2015, one of the main focuses of the bureau was to reach as many local youths as possible and provide them with an introduction to careers in criminal justice. Beginning in 2015, the DA's Office, through the CGR Division, reached out to the youth of our community and conducted our annual Youth Shadow Day. The one-day program is designed to increase understanding and engage students in a positive relationship with members of the criminal justice system. High school students are given the opportunity to shadow professionals from various criminal justice agencies. Based on their interests, students are paired with prosecuting attorneys, defense attorneys, probation officers, law enforcement officers, criminal investigators, and judges to get a first-hand look at the criminal justice process and the different roles within the system. Because CGR sought to attract an ethnically diverse group of students, CGR sent invitations to many community-based organizations throughout Sacramento.

Our program has grown since our first Shadow Day in 2015, during which over 70 high school students participated in many different schools throughout the county. The second Shadow Day in 2016 was more successful with over 100 participants. Students were both ethnically and economically diverse. Starting in 2017, we expanded to host two shadow days each year with a total of approximately 200 students combined from both days. In 2019, over 270 applications were received from 77 different schools in Sacramento County. Unfortunately, due to the pandemic, which shut down our courts over the summer of 2020, we were unable to host our event from 2020-2022. However, in 2023 we offered the first Youth Shadow Day in person since the pandemic and hosted approximately 33 students from 26 different schools in Sacramento County.

In 2018, we introduced our first annual Crime Lab Shadow Day, and 90 students participated. Due to the overwhelming response to our program, we added a second date. In 2019, we hosted over 130 students over two days at the Crime Lab, with 44 different schools represented. In 2020, we offered the program virtually for the first time and had an overwhelming response; we had over 90 students from all over the Sacramento region participate. In 2021, we again hosted our Crime Lab shadow days virtually via Zoom. We had over 68 high school students from 36 different schools participate. In 2022, we hosted the program virtually to 66 students. In 2023, we offered the Crime Lab Shadow Day in person again, and hosted approximately 75 students from 38 different schools in Sacramento County.

In addition, during the 2023 school year, 73 high school students participated in the DA's Youth Academy. Students learned about the criminal justice system as well as engaged in intervention and prevention programs regarding gangs and risks involving the use of social media in two-hour classes held every other week. We began by hosting two academies in the South and North Area back in 2015. Due to high demand, we created two additional youth academies (East, North and Elk Grove/Galt). The academies run contemporaneously across the County, from September to March.

The 2023 school year marked our 9th annual Youth Academy. To date, over 1,870 students from all over the County have graduated from this program.

In 2022, 98 high school students participated in the DA's Youth Academy virtually (due to the pandemic). During our last academy prior to the pandemic, in 2019, over 200 students participated representing 73 different high schools. At the Youth Academies, there were 45 ethnically diverse presenters from the Court, Probation, Public Defender's Office, and the Police and Sheriff departments. Topics ranged from an overview of the criminal justice system, use of force, in-car cameras, criminal investigations, forensic science, gangs, abuse of marijuana, and distracted driving. The goals of the program were for students to see firsthand the criminal justice system, have open dialog about issues that affect youth today, and encourage students to consider a career in the justice system.

CGR continued to implement the Citizen's Academy which enjoyed its 23rd year in existence in 2023. The Citizen's Academy, which is an 11-week program, is designed to teach and exchange ideas with leaders in the various ethnic, religious and cultural communities in Sacramento. In 2019, 55 students completed the program that addresses issues such as racial profiling, use of force by law enforcement, and law enforcement oversight. However, due to the pandemic, the Citizen's Academy was cancelled for 2020. We resumed the program virtually in 2021 and had 43 participants graduate. In 2022, we offered the academy virtually again and had 30 students graduate. In 2023, we returned to an in-person academy, and had 22 students graduate, with a total of 1,222 students graduating to date.

CGR continues to expand their outreach work through our Speakers Bureau. Community groups from all over Sacramento County can request a speaker to present on various subjects. DA personnel have also attended various career fairs throughout the county. In 2023, thanks to virtual adaptations and being allowed to present in-person, our office spoke to over 70 different organizations and groups on topics such as identity theft, elder abuse, cybercrimes, real estate fraud, consumer protection, domestic violence, human trafficking, gangs, DUIs, drugs and narcotics, and juvenile criminal justice.

In 2023, our iSMART (Internet, Social Media Awareness and Training) program was taught at over 40 different Sacramento schools. We conducted over 180 separate iSMART presentations in 2023 reaching over 6,320 students.

The DA's Office also attends multi-cultural events for recruitment, representation and information including, but not limited to, Crime Victims United, MLK Annual Celebration, My Sister's House Anniversary Gala, SacLEGAL Annual Founders Award, National Night Out, Legal Fusion Dinner/Gala, A Community for Peace Celebration of Hope Dinner, Annual CAIR of Sacramento Valley Celebration Banquet, CAPITAL Celebrasian Dinner, Chicks in Crisis Celebration Dinner, City of Refuge – the Table Event, Emerging Latino Foundation Event, Mothers Against Drunk Driving (MADD) Annual Dinner, WEAVE Anniversary Celebration, Asian Resources Annual Reception, Asian Peace Officers Association Annual Community Service Dinner, Asian Pacific Bar Association of Sacramento Annual Dinner Gala, Friends of the Wiley W. Manuel Bar Association, and the Unity Bar Association Dinner.

We also routinely sponsor minority bar association events like the Asian Pacific Bar Association of Sacramento Annual Dinner Gala, Friends of the Wiley W. Manuel Bar Association, and the Unity Bar Association Dinner. We also routinely give presentations to minority organizations.

- (4) Please describe all websites your department advertises its job vacancies to help ensure a workforce representative of Sacramento County.

The DA's Office advertises attorney and some management positions with the California District Attorneys Association (CDA) (cdaa.org) along with job posting on the sacda.org and governmentjobs.com websites. We also share job openings on our social media platforms. The DA's Office has also announced open positions on LinkedIn and Indeed.

For all Crime Lab positions, notices are sent to all crime laboratories within the state and the list of positions are sent to the American Society of Crime Laboratory Directors. The Criminalist positions were posted on the following websites: American Academy of Forensic Sciences (AAFS), California Association of Toxicologists (CAT), Association of Firearms and Tool Mark Examiners (AFTE), and the California Association of Criminalists (CAC). When the position was opened for County-wide recruitment, it was announced on www.governmentjobs.com. Additionally, the Crime Lab has several unpaid internship opportunities that are advertised with Sacramento State and the master's degree programs at the University of California, Davis.

- (5) Please describe your department's promotion and career advancement procedures designed to enable all employees to have an equal and fair opportunity to compete for and attain County Promotional opportunities. (Include, if applicable, mentoring, career development activities, etc.)

The DA's Office notifies DA employees weekly of job opportunities via a DA wide email distribution list for all county positions when the job is announced by the Department of Personnel Services. Email distribution is also used for promotional opportunities and a link

is posted on the DA's Intranet website for DA employees to access all current job announcements.

Attorneys have the opportunity to work in assignments that give them opportunities to be assistants to the supervisors and supervise in the supervisor's absence. In addition, the attorneys have Mandatory Continuing Legal Education (MCLE) training that is provided in-house which is also a career development activity. Some topics are taught by the attorneys due to their experience. The above experience enables attorneys to perform better on the Principal Criminal Attorney exam. Executive Management encourages supervisors to mentor and encourages staff to attend training classes.

The DA's Office also created a Mentor Program in 2023, in which newer attorneys are matched up and mentored by more experienced attorneys in the office. The purpose of the Mentor initiative is to ensure every prosecutor is positioned to effectively contribute their time and talent to the office in a way that fulfills their professional aspirations. To this end we will strive to involve every attorney in the office to create an office environment that supports a joint sense of community, reduces division, and promotes leadership development. This Mentor initiative gives less experienced attorneys the ability to learn from more experienced attorneys who can guide them throughout their career and help them reach their goals within the office.

In addition to countywide courses that are made available to DA staff for education and career development, an internal/in-house program has been created for support staff. While past focus has been on Excel, Outlook, and amended complaint training, the current focus is on County promotional job exams and the application process. The variety of courses offered have helped employees hone their skillset in their present positions and prepare for future advancement opportunities. Interested employees are also offered the opportunity to have special assignments to increase their job knowledge and experience, and staff rotations are occurring routinely to improve abilities and expand knowledge of the office. All of these programs assist current employees by improving their skills and increasing their opportunities for promotion.

- (6) Please describe how the County's Equal Employment Opportunity program objectives are incorporated into your department's strategic and operational priorities.

When DA Thien Ho began his term in 2023, he announced the new mission of our office: "Semper Justitia" meaning "Always Just." This motto refers not only to our efforts in the courtroom, but our efforts in representing victims of crime and their families and in providing equal opportunity to all employees and all applicants for positions within this office. The CGR unit was expanded to assist with the DA's mission. It is responsible for the continued development of new programs in our community. It is providing outreach to local communities consisting of all ethnicities, cultures, and religions to include schools, parents and children, and the business community. It is informing the community of the DA's Office role in the justice system and in the public safety community. Additionally, CGR plays an important role in legislative advocacy for the DA's Office on behalf of the citizens of this community.

- (7) Please describe your department's method to ensure its EEO activities and efforts result in service delivery across all sectors of the community (e.g. systems or processes for communication between County agencies and direct contact with community organizations, etc.)

CGR continued to implement the Citizen's Academy, which is open to all Sacramento residents over the age of 18. The academy enjoyed its 23rd year in existence in 2023. The Citizen's Academy, which is now an 11-week program, is designed to teach and exchange ideas with leaders in the various ethnic, religious and cultural communities in Sacramento. In 2019, 55 students completed the program that addresses issues such as racial profiling, use of force by law enforcement, and law enforcement oversight. However, due to the pandemic, the Citizen's Academy was cancelled for 2020. We resumed the program virtually in 2021 and had 43 participants graduate. In 2022, we offered the academy virtually again and had 30 students graduate with a total of 1,140 students graduating to date. In 2023, we returned to an in-person academy, and had 22 students graduate, with a total of 1,222 students graduating to date.

In 2018, our office launched the "We Connect" program. This program is designed to allow our new lawyers to work hands-on in the community and learn about their neighborhoods, cultures, and lifestyles to build stronger relationships and get a better understanding of all the communities we serve. In 2019, the new attorneys in our office helped several community groups conduct their events including La Familia and Brother to Brother. Unfortunately, due to the pandemic, we were unable to participate in-person from 2020-2022. In 2023, we started up our We Connect program again. In 2023, the new attorneys in our office attended a Trunk-Or-Treat at William Chorley Park with various members of the community.

In 2019, our office launched the one-of-a-kind Youth and Community Connect App (YCC). The YCC is specifically designed to serve the youth in the community by linking them to resources provided by schools, government agencies, community, and faith-based organizations. We continue to promote and add vendors to this app. There are currently 69 organizations listed that represent approximately 193 individual programs that connect youth to community resources. In 2023, we continued our collaboration with the Health Education Council (HEC) which is a nonprofit organization committed to promoting health and preventing chronic disease in underserved communities to promote the app. Our collaboration reached over 120 youth and community members in 2023.

In 2023, seven prosecutors from the Community Prosecution Unit attended over 228 community meetings, most of which were conducted in-person. During the pandemic, every effort was made to continue to engage with the community, despite the safety limitations. In 2022, once we were able to engage with the community in-person, we made the most of it. The focus of the community meetings is to address community concerns and to find creative solutions to those issues. Issues raised by the community most often involve properties where drug/ criminal activity are occurring or areas with large homeless camps. Each issue raised by the community is evaluated individually and the CPU attorneys work with our law enforcement partners to find solutions. One approach that often works is to contact the offending property owner and advise them of the legal consequences of allowing nuisance activity to occur. The typical owner wants to abate the nuisance rather than face prosecution, so we work to find solutions to the harmful activity.

“Know Your Rights” was a program created in 2018 in response to several landlords exploiting the non-English speaking community by providing them with substandard housing. As a result, the DA’s Office, Sacramento City Attorney’s Office, Sacramento City and County Code Enforcement, local law enforcement and Highlands Charter School partnered to create a multi-lingual education program with the goal of informing these vulnerable groups of their basic legal rights. The program is presented at various Highland Charter School locations throughout Sacramento County. The benefits of the program include the explanation of landlord accountability, assisting the refugee community to adapt to their new lives in our community, an improved community relationship between law enforcement and the newest arrivals and a safe place for open discussion. The program is presented in English, and with the help of interpreters it is translated in Farsi, Arabic, Russian, and Spanish. In 2019, we presented 30 classes. To date, over 900 adult students have participated in the program. Due to the pandemic, we were unable to conduct this presentation in 2020 and 2021. But we restarted the program in late 2022 and gave seven presentations. In 2023 our office conducted 46 in-person presentations.

We continued our outreach efforts in 2023 for all sectors in the community. DA employees attended several community events including but not limited to National Night Out and the Invictus Games tournaments (which hosted underprivileged youth).

Since 2021, in response to the increasing numbers of Fentanyl-related deaths in the county, we partnered with the Department of Health Services, Substance Use Prevention and Treatment Services to promote a Fentanyl awareness campaign. We created a website dedicated to sharing knowledge and resources about the Fentanyl epidemic and started an ad campaign which featured public safety announcements. The DA’s Office continues to sponsor this website. Our office additionally sponsored a Fentanyl Awareness Safety fair which hosted over 200 community members. In 2023 DA Thien Ho attended and spoke on a panel at the Fentanyl Awareness and Action Summit.

We continued our efforts in 2022, with a new youth-centric public safety announcement “Don’t be a Guinea Pig” across social media (Facebook, Instagram, and Tik Tok) along with streaming TV stations. We also created a Spanish PSA version that we ran on social media and shared with Spanish Television stations. DA employees continued to partner with DHS and Arrive Alive CA to conduct fentanyl awareness presentations to seventy student and parent groups all over Sacramento County.

Also in 2023, continuing our work from 2021 in response to the increase in hate crimes across the country, the DA’s Office attended several anti-hate awareness/safety events at various locations including the Sacramento Asian Pacific Islander American Public Affairs (APAPA), Asian Community Center (ACC) Senior Services, and the U.S. Attorney’s Office.

CGR continues to expand their outreach work through our Speaker’s Bureau. Community groups from all over Sacramento County can request a speaker to present on various subjects. DA personnel have also attended various career fairs throughout the county. In 2020, thanks to virtual adaptations our office spoke to over 35 different organizations and groups on topics such as identity theft, elder abuse, cybercrimes, real estate fraud, consumer protection, domestic violence, human trafficking, gangs, DUIs, drugs and narcotics, and juvenile criminal justice. We continued our virtual speaking engagements in 2021 to twelve different organizations. In 2022, we were able to present in-person and conducted these to 84 different groups. In 2023, we presented in-person and conducted these to 70 different organizations.

(8) For complaints reported in Table 4, if there were any with a finding of *Violation of County Policy*, for each category of complaints (i.e. race, gender, age, etc.) please provide a description of the measures taken to prevent recurrences. Please do not provide specifics regarding the case(s), individual(s) involved, or corrective/disciplinary action taken.

There were no complaints received in 2024.
