

Flexible Spending Arrangements (FSAs) help you save money on day care expenses and allow you to spend it on the things you care about. FSAs will have the whole family cheering!

Taxes 101

The federal government takes about 30% of each dollar you earn in FICA and federal income taxes, and you take home the remaining 70% to use for your living expenses. When you use an FSA, you set aside money before it is taxed, so you spend the entire 100% of your earned income on your day care expenses.

How much could you save?

Let's look at an example: Employees A and B both earn \$55,000 per year. They each have \$2,000 in out of pocket day care expenses.

Employee A and Employee B have the same earnings and tax bracket, but Employee B saves \$600 per year by contributing to an FSA!

Employee A	
Annual gross income	\$55,000
Estimated taxes (30%)	<u>-\$16,500</u>
Annual net income	\$38,500
Out-of-pocket care expenses	<u>-\$2,000</u>
Actual take home pay	\$36,500
Employee B	
Annual gross income	\$55,000
Out-of-pocket care expenses	<u>-\$2,000</u>
Adjusted gross income	\$53,000
Estimated taxes (30%)	<u>-\$15,900</u>
Actual take home pay	\$37,100

How does it work?

- During your open enrollment estimate your expenses for the plan year and enroll in the plan.
- Your annual election amount will be evenly deducted pre-tax from your paycheck throughout the plan year.
- You cannot change your annual election amount after the plan start unless you have a qualified change in status. For example, birth, death, marriage or divorce.
- Check out your Navigate My Benefits and Pre-Tax Solutions pages for more details on how your plan works.

Election and Claim Filing Period

Open Enrollment period is a great time to look at your benefits and estimate your out-of-pocket expenses. Be sure to only elect an amount that you know you will use during your plan year. At the end of the plan year you will have a claim filing period to turn in any leftover claims for your benefits. Money left in the plan after the end of the claim filing period and 2 ½ month Grace period is subject to the Use-or-Lose rule and cannot be refunded to you.

Grace Period

Your plan also has a special 2 ½ month Grace Period after the end of the plan year. This feature gives you an additional 2 ½ months to incur expenses against your Health Care and Day Care arrangements. All expenses incurred during the grace period will automatically deduct out of the prior year's arrangement, and any remaining balance will then be applied to the current plan year.

Navia Benefits Card

Rather than filing a claim and waiting for reimbursement, you can use the debit card to pay your provider directly for qualified health care expenses. The card is accepted at participating merchants using the Inventory Information Approval System (IIAS) and at medical care merchants using the Master-Card® system. Be sure to hang on to your receipts in case we need to see them to verify the expense eligibility. If we need to see a receipt, you will notice an alert on your mobile app and we will send you an email reminder.
