

Once your employer has indicated you are eligible for benefits and you submit this completed form, you will be able to request payment for benefits covered by your employer's RHS plan. This form is used by the claims administrator (Meritain Health, Inc.) to set up your account and process claims.

In order for us to efficiently process your benefits, you must fully complete this form and submit it to Meritain Health, Inc. Please be sure to keep a copy of all forms and documentation you submit for your records. **Alternatively, you may update or add your spouse and dependent information online.** To ensure your information is current on both systems, first log on to Account Access (www.missionsq.org/login) to review/update your information. Then remain in your RHS plan and select Claims to get to the Meritain Health claims portal to complete your spouse and dependent information on the Meritain side. Accuracy and completeness of the information you submit will expedite your claims.

After a claim you have submitted has been processed, always review your Explanation of Benefits from Meritain Health, Inc. to confirm the accuracy of your benefit eligibility and enrollment information. If you discover a discrepancy, contact Meritain Health, Inc. at 888-587-9441 as soon as possible.

Note: *If you are able to access funds from your RHS plan in the same year in which you contribute to your Health Savings Account (HSA) administered through another provider, please consult your tax advisor prior to submitting reimbursement to your RHS account. There are specific rules governing HSAs when an employee is also enrolled in a Health Reimbursement Arrangement (HRA), like the RHS plan, that may affect the tax treatment of the HSA contributions.*
