DIVERSITY POLICIES AND EFFORTS QUESTIONNAIRE

IF ANY QUESTION HAS A “NON-APPLICABLE” ANSWER, PLEASE EXPLAIN WHY.

- (1) Please provide a brief description of the services and functions provided by your department.
The Sacramento County Sheriff’s Office is the primary law enforcement agency for the unincorporated areas of Sacramento County. The mission of the Sacramento County Sheriff’s Office is the protection of life and property, the preservation of the public peace and the enforcement of the law in partnership with our communities. In recognition of our mission, the Sacramento County Sheriff’s Office enforces the laws which govern our society, including Federal, State, and local statutes. The laws are enforced in a just manner, without prejudice.

The Sheriff’s Office is divided into service areas designed to meet the needs of the diverse and varied Sacramento community. The service areas include: The Office of the Sheriff, the Office of the Undersheriff, Support Services, Correctional Services, Contract and Regional Services, and Field and Investigative Services.

Additionally, the Sheriff’s Office provides law enforcement services on a contractual basis to the City of Rancho Cordova, the Sacramento International Airport and the Superior Court of California – Sacramento County.

- (2) Please describe your department’s selection and hiring procedures and how they help ensure a workforce representative of Sacramento County. (Include, if applicable, hiring interview procedures & policies; internships; education & training opportunities; training & develop assignments, etc);

The Sacramento County Sheriff’s Office adheres to Sacramento County Employment Services Division’s rules and regulations. Every applicant must complete a County application and the corresponding job examination process. Upon completion of the application and testing process, each candidate is ranked by the Sacramento County Employment Services Division and a certification list (eligibility list) is generated. If the candidate is within the top three (3) ranks, they are eligible for hire.

Deputy Sheriff / Deputy Sheriff Recruit

The Sacramento County Sheriff’s Office’s Pre-Employment/Recruiting Unit receives the certification list. Based upon this list, candidates are invited to participate in the Physical Ability Testing portion of the process. If the candidate is successful at meeting the minimum standards set forth in the Physical Ability Test, they are invited to complete a Pre-Employment Pre-Questionnaire (PEPQ). The Pre-Employment/Recruiting Unit reviews each PEPQ, ensuring minimum qualifications are met. Candidates that appear to meet the Peace Officer Standards and Training background dimensions are invited to complete the Personal History Statement questionnaire (PHS).

If the candidate is selected for the background process, an investigation is conducted focusing on several areas of the candidate’s personal history, including: prior/present employment, military service, credit

check, rental history, drug usage, driving record (citations/accidents), personal/professional reference checks and neighborhood canvasses.

Additionally, the candidates must complete a Computer Voice Stress Analyzer (CVSA) examination to verify the information the candidate provided in the PHS. Upon completion of a CVSA, the assigned background investigator conducts a Personal Assessment Interview with the candidate. This interview is to discuss any inconsistencies developed during the investigation or answer any questions the investigator may have regarding the candidate's background information.

If the candidate is successful in the background process, a conditional offer of employment is extended. The conditional offer is contingent upon the candidate passing the applicable medical and physical examinations.

The Sacramento County Sheriff's Office offers a variety of programs designed to assist candidates with successfully completing the selection and hiring process. These programs include multiple venues and methods.

The Sacramento County Sheriff's Office recognizes the need to constantly review and revamp practices and procedures in order to move forward with generational and populace changes. Therefore, the Pre-Employment/Recruiting Unit continues to review their outreach practices. Efforts are made to identify new and innovative techniques to target a larger and more diverse group of people from which to recruit for all classifications within the Sacramento County Sheriff's Office.

The Sheriff's Office has continued to design, implement and improve outreach programs. We have continued our support and participation in the Links to Law Enforcement program. The Links to Law Enforcement program is supported by multiple law enforcement agencies and introduces candidates to the variety of career paths associated with Law Enforcement.

Additionally, the Sacramento County Sheriff's Office continues to offer SPARTA (Sheriff's Pre-Academy Recruit Training Activities). SPARTA has a component of physical training, which mirrors current academy practices, along with a weekly presentation outlining some of the curriculum recruits will encounter as part of attending an academy.

The Pre-Employment/Recruiting Unit also designed two additional components to our recruiting arm. The Interview Seminar is a one day workshop hosted by the Recruitment Unit which offers tips and practical exercises to help candidates successfully navigate the interview process. The Employment Seminar is a one day workshop which educates candidates on the job opportunities available throughout the Sheriff's Office. In the course of this seminar, the application process, selection process and background process are broken down for both sworn and professional staff candidates. Candidates are also given an Officer Standards and Training background dimensions are invited to complete the Personal History Statement questionnaire (PHS).

These programs include a Law Academy at Florin High School and other youth outreach programs. The Law Academy offers students the opportunity to learn about the various careers in law enforcement. Several of the Youth Services Deputies are also Auxiliary Recruiters for the Sheriff's

Office. These Deputies continually provide information regarding a potential career with the Sacramento Sheriff's Office to students as well as their family members.
