DIVERSITY POLICIES AND EFFORTS QUESTIONNAIRE

IF ANY QUESTION HAS A “NON-APPLICABLE” ANSWER, PLEASE EXPLAIN WHY.

- (1) Please provide a brief description of the services and functions provided by your department.

The County of Sacramento Sanitation Districts Agency (SDA) provides the workforce that staffs the Sacramento Area Sewer District (SacSewer) and the Sacramento Regional County Sanitation District (Regional San). SacSewer was formed in 1978, and is governed by a 10-member Board of Directors representing the various jurisdictions within its service area. SacSewer is a sewer utility providing service to more than one million people in the Sacramento region, including the unincorporated areas of Sacramento County, the cities of Citrus Heights, Rancho Cordova, and Elk Grove, as well as portions of the cities of Folsom and Sacramento. The District serves residential, commercial and industrial customers. SacSewer owns and operates thousands of miles of lower lateral and main line pipes and is responsible for the day-to-day operations and maintenance of these sewer pipes. Once collected in the system, sewage flows into the Regional San interceptor system, where it is conveyed to the Sacramento Regional Wastewater Treatment Plant near Elk Grove.

Regional San was formed in 1973, and in 1982 the Sacramento Regional Wastewater Treatment Plant began service. A 17-member Board of Directors representing the jurisdictions in the contributing agencies governs regional San. Regional San provides regional wastewater conveyance and treatment services to residential, industrial and commercial customers in most of the unincorporated Sacramento County; the cities of Citrus Heights, Elk Grove, Folsom, Rancho Cordova, Sacramento and West Sacramento; and the communities of Courtland and Walnut Grove. The wastewater travels through 168 miles of interceptor pipelines to the Sacramento Regional Wastewater Treatment Plant in Elk Grove, where wastewater is treated and safely discharged into the Sacramento River.

- (2) Please describe your department’s selection and hiring procedures and how they help ensure a workforce representative of Sacramento County. (Include, if applicable, hiring interview procedures & policies; internships; education & training opportunities; training & develop assignments, etc);

The Agency complies with the guidelines provided in the Civil Service Rules regarding interviewing and appointment from lists. The Agency currently provides At-A-Glance training and literature for hiring managers and supervisors. These include: Interviewing and Making a Selection, Documenting Your Selection, Hiring an Intern, Welcoming and Orienting a New Employee, and Conducting Performance Evaluations. Providing this type of training ensures a standard for interviewing, selecting, and evaluating candidates.

- (3) Please describe what recruiting and/or informational events your department has participated in and how they help to ensure a workforce representative of Sacramento County. (Include,

if applicable, high school or college job fairs, high school or college programs, church events, or community events.

The Agency and the Department of Personnel Services have participated in the following events:

- SAVA Education and Workforce Convention: High school students
- Sacramento State Virtual Job and Internship Fair: College students
- Los Rios Community College Career Fair: College students

- (4) Please describe all websites your department uses to advertise its job vacancies to help ensure a workforce representative of Sacramento County.

The Agency complies with the guidelines provided in the Civil Service Rules regarding interviewing and appointment from lists. Exams that are announced are typically advertised on the County's Employment website, local jurisdictions, and industry specific internet and print publications.

- (5) Please describe your department's promotion and career advancement procedures designed to enable all employees to have an equal and fair opportunity to compete for and attain County Promotional opportunities. (Include, if applicable, mentoring, career development activities, etc.)

The Agency has collaborated with the Training and Organization Development Office for the "Supervisor Academy" and other workshops. These training classes are beneficial for the promotion and career advancement opportunities. The Agency has a separate leadership program with classes for development of various competencies and they are open to all interested staff. In addition, the Agency has specific requirements related to job announcements, candidate pool selection for interviews, interview panel composition to promote open and fair competition for job opportunities. The Agency also offers a mentoring program open to interested mentors and mentees.

- (6) Please describe how the County's Equal Employment Opportunity program objectives are incorporated into your department's strategic and operational priorities.

The Agency requires that all employees attend diversity training. All lead, supervisory and management employees are required to take Sexual Harassment and Discrimination Prevention (AB1825).

- (7) Please describe your department's method to ensure its EEO activities and efforts result in service delivery across all sectors of the community (e.g. systems or processes for communication between County agencies and direct contact with community organizations, etc)

The Agency works to support the employees assigned to the Districts in order to provide safe, efficient and environmentally beneficial services to all of the Districts' customers. The Districts have numerous programs that prioritize resources to address infrastructure that needs it most, thus ensuring reliable sewer service to all customers.
