DIVERSITY POLICIES AND EFFORTS QUESTIONNAIRE

(1) Please provide a brief description of the services and functions provided by your department.

Trial Services – The District Attorney’s (DA’s) Office had 170 attorneys [includes 12 legal research assistants] who prosecute criminal cases; file civil, environmental and consumer cases; and engage in community prosecution efforts to address quality of life issues in neighborhoods. In addition, there are special units to prosecute specific types of crimes including, but not limited to, Domestic Violence; Homicide; Gangs and Hate Crimes; Cyber Crimes; Insurance Fraud; Special Assault and Child Abuse; Career Criminal; Child Abduction; Prison Crimes; and Vehicle Theft.

Justice, Training & Integrity (JTI) Unit – The JTI Unit is dedicated to ensuring our pursuit of justice is carried out with the highest level of integrity. The JTI Unit provides deputies with ethical and practical training and advice, institutes discovery safeguards, disseminates legal updates, evaluates and responds to allegations of prosecutorial misconduct, consults on office policies and develops protocols, litigates petitions for writ of habeas corpus, examines claims of actual innocence and wrongful conviction, reviews cases for post-conviction relief and resentencing (e.g., immigration and veterans’ resentencing, etc.), and conducts parole hearings. JTI is comprised of nine (9) attorneys, a paralegal, an investigative assistant, and two office assistants.

Investigations – The Bureau of Investigation for the DA’s Office had 35 investigators, 21 investigative assistants, and 14 process servers that provide trial support for the attorneys. Trial support includes, but is not limited to, follow-up investigation on cases submitted by local law enforcement agencies such as reviewing police reports; reviewing local law enforcement investigations; developing strategies for further investigation; writing search warrants; preparing arrest warrants for a magistrate’s signature; planning and service of the warrants; search, collection and preservation of seized evidence for case prosecution; arrest and transportation of wanted subjects to jail or for appearance in court; interstate extraditions; and testifying in court. Additionally, staff will locate victims and witnesses, serve subpoenas, interview witnesses, interrogate suspected criminals, as well as analyze and evaluate oral and written statements. Staff will also retrieve evidence booked by local law enforcement agencies that is required for a successful prosecution. Evidence may include law enforcement in-car camera videos, body camera footage, surveillance footage, mobile phone data, certified DMV/DOJ (Department of Justice) information, and crime scene photographs.

Laboratory of Forensic Services (aka Crime Lab) – The Sacramento County DA's Crime Lab is one of the few in California that is managed by a DA's Office. It had 33 criminalists and 2 forensic lab technicians. The Crime Lab has the highest quality service available for the recognition, collection, preservation, scientific analysis, and interpretation of physical evidence, with a goal towards presentation of such evidence in criminal court cases. The lab has achieved the honor of being accredited by the American Society of Crime Lab Directors Laboratory Accreditation Board. The laboratory provides forensic services to all law enforcement agencies operating in Sacramento County. The laboratory is divided into four

technical units including Alcohol and Drugs in Body Fluid (Toxicology), DNA and Serology (Biology), Drug Analysis (Chemistry) and finally Trace Evidence, Firearms and Tool Comparison, Arson (Criminalistics). The laboratory also assists law enforcement during field call-outs, providing support in the recognition, documentation, collection, preservation, examination and interpretation of physical evidence at crime scenes and clandestine laboratory scenes.

Victim Witness Assistance Program – With 19 advocates, the DA's Office Victim Witness Assistance Program is dedicated to providing services to victims. Trained and experienced advocates provide crisis counseling, orientation to the criminal justice system, community referrals, assistance with applying for victim compensation, a support group for family members of homicide victims, and many other services. Assistance and information is available in several different languages. Special assistance is available to victims of elder abuse and dependent adult abuse.

Justice & Community Relations (JCR) Bureau – JCR was created to build upon existing programs and create new ways to work with members of the community on crime prevention. The bureau brings all community related efforts under one umbrella, allowing the office to maximize its reach, increase accessibility and communication with citizens and have a greater positive impact across the county. JCR includes all community outreach programs, and media and government relations. The bureau also includes the nationally recognized Community Prosecution Unit (CPU). There are prosecutors working in neighborhoods throughout the county and City of Sacramento and Rancho Cordova. Community prosecutors create partnerships with citizens, law enforcement, community groups and businesses to proactively address quality of life issues including blight, prostitution, graffiti, and homelessness.

Administration & Support – Support is provided to the various units throughout the DA's Office with staffing in various job classifications to include positions in executive management, administrative services, information technology and support staff. There were 95 employees in these job classifications in 2020.

(2) Please describe your department's selection and hiring procedures and how they help ensure a workforce representative of Sacramento County. (Include, if applicable, hiring interview procedures & policies; internships; education & training opportunities; training & develop assignments, etc.)

The Hiring Committee is primarily responsible for the professional hires in the DA's Office including the hiring of lateral attorneys as well as paid post-bar law school students and paid summer interns who have completed their second year of law school. The Hiring Committee is currently comprised of seven people. This includes the Chief Deputy, three Assistant Chiefs, two unit Supervisors and one Attorney Level 5. Of the current committee, three members are women and three members are minorities.

The DA's Office continued to hire individuals for post-bar legal research assistant (LRA) positions which are advertised at many law schools throughout the United States. Post-bar refers to individuals who have taken the first bar exam offered after graduation and are awaiting bar results. The COVID pandemic impacted our operations. For instance, the California State Bar attorney exam is normally administered in July of each year. This year it was administered

in October. In October 2020, 11 LRAs began work. Five of those candidates were minorities, and eight were women. These LRA candidates applied and interviewed in Summer and Fall of 2019. Of those 11 LRAs, 10 LRAs passed the bar exam on the first attempt.

In 2019, students in their last year of law school apply for post-bar LRA positions typically beginning shortly after taking the first bar exam immediately after law school graduation (typically in August). A total of 35 applications were received and 21 LRA candidates were interviewed. Of those interviewed, we made offers to 12 LRA candidates. One candidate did not begin employment with us as she became ineligible to sit for the bar exam offered in October 2020.

The DA's Office has a paid Summer Intern program. In May 2020, 12 Summer Interns were supposed to begin work. Four of those Intern candidates were minorities. Five of the interns were female. These Summer Intern candidates applied and interviewed in Summer and Fall of 2019. In Summer and Fall of 2019, the DA's Office Hiring Committee reviewed applications and interviewed law school students for paid positions beginning in 2020. All resumes were distributed to the Hiring Committee panel for review. In 2019, the DA's Office received 42 Summer Intern applications; 26 candidates were interviewed, and 11 offers were made. However, due to COVID, we were only able to offer the interns part-time jobs and ultimately eight began work in June 2020. Of these eight, four were female and four were minorities.

For all Crime Lab positions, notices are sent to all crime laboratories within the state and the list of positions are sent to the American Society of Crime Laboratory Directors. The criminalist positions were posted on the American Academy of Forensic Sciences website and sent to the California Association of Criminalists (CAC) website. When the position was opened for County-wide recruitment, it was announced on www.governmentjobs.com. Additionally, the Crime Lab has several unpaid internship opportunities that are advertised with the master's degree programs at the University of California, Davis.

(3) Please describe what recruiting and/or informational events your department has participated in and how they help to ensure a workforce representative of Sacramento County. (Include, if applicable, high school or college job fairs, high school or college programs, church events, or community events.)

In October 2019, the DA's Office hosted its 15th Annual Diversity Open House and Reception in collaboration with the University of Pacific, McGeorge School of Law; University of California, Davis School of Law, and Lincoln Law School. This event affords law students an opportunity to talk with attorneys and other staff about career opportunities at the DA's Office. During this event, students also get to meet the District Attorney, learn about summer employment opportunities, and sign up to shadow a Deputy District Attorney for the day.

To expand recruitment, the DA's Office also engages in on-campus interviews at numerous law schools throughout California. This involves members of the Hiring Committee traveling to campuses in an effort to recruit students with diverse backgrounds and interests. In 2019, we conducted on-campus interviews at the following California law schools: McGeorge, UC Davis, and Lincoln Law School. However, due to the pandemic, the Diversity Reception was

cancelled for 2020. Additionally, the hiring committee did not visit law schools to conduct any on-campus interviews.

In 2015, the DA's Office created the Community and Government Relations division (CGR) aimed at increasing community engagement, maximizing prevention and education outreach efforts and strengthening public trust in the criminal justice system. The division was re-organized in 2019 and was renamed Justice and Community Relations (JCR). JCR combined CGR with the Justice, Training, and Integrity Unit and created a new division responsible for community and media relations. JCR continued to implement the Citizen's Academy which enjoyed its' 20th year in existence. The Citizen's Academy, which is now an 11-week program, is designed to teach and exchange ideas with leaders in the various ethnic, religious and cultural communities in Sacramento. In 2019, 55 students completed the program that addresses issues such as racial profiling, use of force by law enforcement, and law enforcement oversight. However, due to the pandemic, the Citizen's Academy was cancelled for 2020. We resumed the program virtually in 2021.

JCR continues to expand their outreach work through our Speakers Bureau. Community groups from all over Sacramento County can request a speaker to present on various subjects. DA personnel have also attended various career fairs throughout the county. In 2020, thanks to virtual adaptations our office spoke to over 35 different organizations and groups on topics such as identity theft, elder abuse, cybercrimes, real estate fraud, consumer protection, domestic violence, human trafficking, gangs, DUIs, drugs and narcotics, and juvenile criminal justice.

Prior to the shut-down, we also participated in several career fairs attended by youth wherein we discussed career choices in the criminal justice system and explained the benefits of a career in the DA's office.

The DA's Office continues to manage and provide speakers for the Luther Burbank High School Law and Justice Academy where throughout the school year students are taught about the various areas within the criminal justice system. The DAs GIFT (Gun Violence for Teens) program could not be presented in the juvenile detention center in 2020 due to COVID. However, the iSMART (Internet, Social Media Awareness and Training) program was taught at 7 different high schools and the parent version was presented during a church webinar. We conducted over 30 separate iSMART presentations in 2020. After March, we conducted our presentations virtually, via Zoom.

The DA's Office also attends multi-cultural events for recruitment, representation and information including, but not limited to, Crime Victims United, MLK Annual Celebration, My Sister's House Anniversary Gala, SacLEGAL Annual Founders Award, National Night Out, Legal Fusion Dinner/Gala, A Community for Peace Celebration of Hope Dinner, Annual CAIR of Sacramento Valley Celebration Banquet, CAPITAL Celebrasian Dinner, Chicks in Crisis Celebration Dinner, City of Refuge – the Table Event, Emerging Latino Foundation Event, Mothers Against Drunk Driving (MADD) Annual Dinner, WEAVE Anniversary Celebration, Asian Resources Annual Reception, Asian Peace Officers Association Annual Community Service Dinner, Asian Pacific Bar Association of Sacramento Annual Dinner Gala, Friends of the Wiley W. Manuel Bar Association, and the Unity Bar Association Dinner. In 2020 we were only able to attend events virtually and attended the Unity Bar via Zoom.

During non-COVID times, we routinely sponsor minority bar association events like the Asian Pacific Bar Association of Sacramento Annual Dinner Gala, Friends of the Wiley W. Manuel Bar Association, and the Unity Bar Association Dinner. We also routinely give presentations to minority organizations. In 2020 we gave presentations to the NAPABA (National Asian Pacific American Bar Association) on September 28, 2020 and the Sikh Coalition on August 6, 2020. We have given presentations on DA careers and the criminal justice system to: Sac Metro Blacks in Government, La Raza Pre-Law Association at U.C. Davis, and the Black Law Students Association.

(4) Please describe all websites your department advertises its job vacancies to help ensure a workforce representative of Sacramento County.

See answer to question #2.

(5) Please describe your department's promotion and career advancement procedures designed to enable all employees to have an equal and fair opportunity to compete for and attain County Promotional opportunities. (Include, if applicable, mentoring, career development activities, etc.)

The DA's Office notifies DA employees weekly of job opportunities via a DA wide email distribution list for all county positions when the job is announced by the Department of Personnel Services. Email distribution is also used for promotional opportunities and a link is posted on the DA's Intranet website for DA employees to access all current job announcements.

Attorneys have the opportunity to work in assignments that give them opportunities to be assistants to the supervisors and supervise in the supervisor's absence. In addition, the attorneys have Mandatory Continuing Legal Education (MCLE) training that is provided in-house which is also a career development activity. Some topics are trained by the attorneys due to their experience. The above experience enables attorneys to better perform on the Principal Criminal Attorney exam. Executive Management encourage supervisors to mentor and encourage staff to attend training classes.

In addition to countywide courses that are made available to DA staff for education and career development, an internal/in-house program has been created for support staff. While past focus has been on Excel, Outlook, and amended complaint training, the current focus is on County promotional job exams and the application process. The variety of courses offered have helped employees hone their skillset in their present positions and prepare for future advancement opportunities. Interested employees are also offered the opportunity to have special assignments to increase their job knowledge and experience, and staff rotations are occurring routinely to improve abilities and expand knowledge of the office. All of these programs assist current employees by improving their skills and increasing their opportunities for promotion.

(6) Please describe how the County's Equal Employment Opportunity program objectives are incorporated into your department's strategic and operational priorities.

The Mission of the DA's Office is "Seek Justice, Serve Justice, Do Justice." This motto refers not only to our efforts in the courtroom, but our efforts in representing victims of crime and their families and in providing equal opportunity to all employees and all applicants for positions within this office. The JCR was formed to assist with the DA's mission. It is

responsible for the continued development of new programs in our community. It is providing outreach to local communities consisting of all ethnicities, cultures and religions to include schools, parents and children, and the business community. It is informing the community of the DA's Office role in the justice system and in the public safety community. Additionally, JCR plays an important role in legislative advocacy for the DA's Office on behalf of the citizens of this community.

(7) Please describe your department's method to ensure its EEO activities and efforts result in service delivery across all sectors of the community (e.g., systems or processes for communication between County agencies and direct contact with community organizations, etc)

The DA's Office, through the JCR Division, reached out to the youth of our community and conducted our annual Youth Shadow Day. The one-day program is designed to increase understanding and engage students in a positive relationship with members of the criminal justice system. High school students are given the opportunity to job shadow professionals from various criminal justice agencies. Based on their interests, students are paired with prosecuting attorneys, defense attorneys, probation officers, law enforcement officers, criminal investigators, and judges to get a first-hand look at the criminal justice process and the different roles within the system. Because JCR sought to have an ethnically diverse group of students, JCR sent invitations to all of community-based organizations.

Our program has grown since our first Shadow Day in 2015, during which over 70 high school students participated in many different schools throughout the county. The second Shadow Day in 2016 was more successful with over 100 participants. Students were both ethnically and economically diverse. Starting in 2017, we expanded to host two shadow days each year with a total of approximately 200 students combined from both days. In 2019, over 270 applications were received from 77 different schools in Sacramento County. Unfortunately, due to the pandemic, which shut down our courts over the summer, we were unable to host our event this year.

In 2018, we introduced our first annual Crime Lab Shadow day, and had 90 students participate. Due to the overwhelming response to our program, we added a second date. In 2019, we hosted over 130 students over two days at the Crime Lab, with 44 different schools represented. In addition, during the 2019-2020 school year, high school students participated in the DA's Youth Academy. Students learned about the criminal justice system as well as engaged in intervention and prevention programs regarding gangs and risks involving the use of social media in two-hour classes held every other week. This school year marked our 5th annual youth academy. We began by hosting one academy in the South Area back in 2015. Due to high demand, we created three additional youth academies (East, North and Elk Grove/Galt). The academies run contemporaneously across the County, from September to March. To date, over 1,400 students from all over the County have graduated from this program. In 2019, over 200 students participated representing 73 different high schools. At the Youth Academies, there were 45 ethnically diverse presenters from the Court, Probation, Public Defender's Office, and the Police and Sheriff departments. Topics ranged from an overview of the criminal justice system, use of force, in-car cameras, criminal investigations, forensic science, gangs, abuse of marijuana, and distracted driving. The goals of the program were for students to see firsthand the criminal justice system, have open dialog about issues

that affect youth today, and encourage students to consider a career in the justice system. In 2020, we were able to host our Crime Lab shadow days virtually via Zoom. We had over 90 high school students from all over Sacramento participate.

In 2018, our office launched the “We Connect” program. This program is designed to allow our new lawyers to work hands-on in the community and learn about their neighborhoods, cultures, and lifestyles to build stronger relationships and get a better understanding of all the communities we serve. In 2019, the new attorneys in our office helped several community groups conduct their events including La Familia and Brother to Brother. Unfortunately, due to the pandemic, we were unable to participate in-person this year.

In 2019, our office launched the one-of-a-kind Youth and Community Connect App (YCC). The YCC is specifically designed to serve the youth in the community by linking them to resources provided by schools, government agencies, community and faith-based organizations. We continue to promote and add vendors to this app. There are currently 109 organizations listed that represent 246 individual programs that connect youth to community resources.

In 2020, five prosecutors from the Community Prosecution Unit attended over 230 community meetings and over 130 neighborhood meetings, most of which were conducted virtually. Community Prosecutors continue to work closely with community groups and businesses to address the public safety of our community, especially through the changes of the pandemic.

“Understanding Your Rights” was a new program created in 2018 in response to several landlords exploiting the non-English speaking community by providing them with substandard housing. As a result, the DA’s Office, Sacramento City Attorney’s Office, Sacramento City and County Code Enforcement, local law enforcement and Highlands Charter School partnered to create a multi-lingual education program with the goal of informing these vulnerable groups of their basic legal rights. The program is presented at various Highland Charter School locations throughout Sacramento County. The benefits of the program include the explanation of landlord accountability, assisting the refugee community to adapt to their new lives in our community, an improved community relationship between law enforcement and the newest arrivals and a safe place for open discussion. The program is presented in English, and with the help of interpreters it is translated in Farsi, Arabic, Russian, and Spanish. In 2019, we presented 30 classes. To date, over 900 adult students have participated in the program. Due to the pandemic, we were unable to conduct this presentation in 2020.

- (8) For complaints reported in Table 4, if there were any with a finding of *Violation of County Policy*, for each category of complaints (i.e. race, gender, age, etc.) please provide a description of the measures taken to prevent recurrences. Please do not provide specifics regarding the case(s), individual(s) involved, or corrective/disciplinary action taken.**

There were no complaints with a finding of Violation of County Policy in 2020.
