DIVERSITY POLICIES AND EFFORTS QUESTIONNAIRE

IF ANY QUESTION HAS A "NON-APPLICABLE" ANSWER, PLEASE EXPLAIN WHY.

(1) Please provide a brief description of the services and functions provided by your department.

The Sacramento County Department of Transportation (SACDOT) is responsible for planning, improving, operating and maintaining a transportation system that serves unincorporated area citizens, regional traffic, and commerce.

SACDOT continually works to address community transportation needs with projects to improve the County system of roadways and bridges. These projects range from major roadway improvements to ongoing pavement repair and maintenance programs. We also partner on projects to revitalize communities, support economic development, and improve the regional transportation network.

(2) Please describe your department's selection and hiring procedures and how they help ensure a workforce representative of Sacramento County. (Include, if applicable, hiring interview procedures & policies; internships; education & training opportunities; training & develop assignments, etc);

The Department complies with the guidelines provided in the Civil Service Rules regarding interviewing and appointment from eligibility lists. The Department currently provides At-A-Glance training and literature for hiring managers and supervisors. These include: Interviewing and Making a Selection, Documenting Your Selection, Hiring an Intern, Welcoming and Orientating a New Employee, and Conducting Performance Evaluations. Providing this type of training ensures a standard for interviewing, selecting, and evaluating candidates.

(3) Please describe what recruiting and/or informational events your department has participated in and how they help to ensure a workforce representative of Sacramento County. (Include, if applicable, high school or college job fairs, high school or college programs, church events, or community events.

For calendar year 2020, the Department did not participate in any events for recruitment purposes due to the COVID-19 public health orders. In 2020, the Department participated in the Sacramento County Career Fair held on March 9, 2019. Department representatives met with prospective job candidates to discuss and provide details on the various positions available within the department, the usual day-to-day work activities, and what it is like to have a career with Sacramento County.

(4) Please describe all websites your department advertises its job vacancies to help ensure a workforce representative of Sacramento County.

The Department complies with the guidelines provided in the Civil Service Rules regarding interviewing and appointment from lists. Exams that are announced are typically advertised on the County's Employment website, local jurisdictions, and industry specific internet and print publications.

(5) Please describe your department's promotion and career advancement procedures designed to enable all employees to have an equal and fair opportunity to compete for and attain County Promotional opportunities. (Include, if applicable, mentoring, career development activities, etc.)

The Department has collaborated with the Leadership and Organizational Development Office in presenting the Leadership Development series, and with coordinating training activities for the "Supervisor Academy" and "Facilitation Training" workshops. These training classes are beneficial for promotion and career advancement opportunities.

(6) Please describe how the County's Equal Employment Opportunity program objectives are incorporated into your department's strategic and operational priorities.

The Department requires that all employees attend diversity training. All lead, supervisory and management employees are required to take Sexual Harassment and Discrimination Prevention (AB1825).

(7) Please describe your department's method to ensure its EEO activities and efforts result in service delivery across all sectors of the community (e.g. systems or processes for communication between County agencies and direct contact with community organizations, etc)

The Department works to support its employees to provide safe, efficient and beneficial services to all citizens of Sacramento County as well as communicating information to the general public and participating in discussions with neighborhood groups.
